

Table of Contents

APPENDIX A: FREIGHT STRATEGY EVALUATION PROCESS

Introduction.....	A-1
Freight Transportation Needs Assessment Sources.....	A-1
Freight Issues and Opportunities.....	A-1
MPO Long Range Transportation Plans.....	A-1
Intermodal Plans and Strategic Intermodal System.....	A-1
Tampa Bay Regional Freight Rail Study.....	A-1
Freight Travel Markets Capacity Analysis.....	A-1
Freight Corridor Screenings.....	A-2
Truck Driver Surveys.....	A-2
Freight Project Types.....	A-2
Prioritization Criteria.....	A-3
Support Data.....	A-5
Standardization of Scores.....	A-5
Criteria Weights.....	A-10

APPENDIX B: FREIGHT TRAVEL MARKETS

Introduction.....	B-1
Data Sources and Summary Statistics.....	B-1
FDOT District Seven Statistics.....	B-1
FDOT District One Statistics (Polk, Sarasota and Manatee Counties).....	B-2
Issues Identification.....	B-2
Potential Freight Improvement Strategies and Projects.....	B-3
Freight Travel Market Summary No. 1A: Charlotte County to Port Manatee.....	B-5
Freight Travel Market Summary No. 1B: Port Manatee to Port of Tampa.....	B-6
Freight Travel Market Summary No. 2A: Polk County to Pinellas Gateway.....	B-7
Freight Travel Market Summary No. 2B: Osceola County to Polk County.....	B-8
Freight Travel Market Summary No. 3: Port Manatee to North Pinellas.....	B-9
Freight travel Market Summary No. 4: Pasco County East-West.....	B-10
Freight Travel Market Summary No. 5: Port of Tampa to East Hernando.....	B-11
Freight Travel Market Summary No. 6: Plant City to East Hernando.....	B-12
Freight Travel Market Summary No. 7: Port of Tampa to North Citrus.....	B-13
Freight Travel Market Summary No. 8: Hernando County East-West.....	B-14
Freight Travel Market Summary No. 9: Citrus County East-West.....	B-15

Freight Travel Market Summary No. 10: Polk County East-West (SR 60).....	B-16
Freight Travel Market Summary No. 11: Hardee County to Lakeland.....	B-17
Freight Travel Market Summary No. 12: Hardee County to Davenport.....	B-18

APPENDIX C: FREIGHT ACTIVITY AND LAND USE COMPATIBILITY ANALYSIS

Introduction.....	C-1
Land Use and Freight Activity Data Sets.....	C-2
Hillsborough County.....	C-2
Pinellas County.....	C-3
Pasco County.....	C-4
Hernando County.....	C-4
Citrus County.....	C-5
Polk County.....	C-5
Manatee County.....	C-5
Sarasota County.....	C-6
Regionwide Freight Activity Data Sets.....	C-6
Scoring of Land Use and Freight Activity Overlay Data.....	C-6
Scoring of Discrete Data Sets.....	C-7
Summation of Scores.....	C-8
Cell Classification.....	C-9
Creating a Composite Livability and Freight Classification.....	C-9
Field Review.....	C-11
Attachment A: County and Municipal Future Land Use Categories Organized by Livability or Freight Emphasis.....	C-13
Attachment B: Livability and Freight Emphasis Scoring Rubrics by County.....	C-29

APPENDIX D: TRUCK VOLUME FORECASTING METHODOLOGY FOR POLK, SARASOTA AND MANATEE COUNTIES

Existing Roads with no Truck Data – Areawide Truck Factor Method.....	D-2
New or Recently Completed Roads with no Truck Data – Areawide Truck Factor Method.....	D-5
Reference to In-Line/Parallel/Neighboring Segments.....	D-5
Traffic Studies.....	D-7
Central Polk Parkway PD&E.....	D-7
Port Manatee Connector PD&E Existing Traffic Analysis and Port Manatee Master Plan.....	D-9
Port Manatee Connector.....	D-10

APPENDIX E: GOODS MOVEMENT ADVISORY COMMITTEE MEETINGS

List of Tables

Table A-1: Corridor-Based Project Evaluation - Performance Indicators and Supporting Data.....	A-6
Table A-2: Freight Hot Spot Project Evaluation - Performance Indicators and Supporting Data.....	A-8
Table A-3: GMAC Issues Ranking and Relation of Issues to Objectives Used in Prioritization.....	A-10
Table A-4: Prioritization Weighting Used for Plan Objectives.....	A-11
Table A-5: Freight Corridor-Based Priorities.....	Follows Map A-2
Table A-6: Freight Hot Spot Priorities.....	Follows Table A-5
Table C-1: Thresholds for High, Medium, and Low Livability and Freight Activity Areas.....	C-9
Table D-1: Areawide Truck Factors.....	D-2
Table D-2: Truck Traffic Projections Derived From Central Polk Parkway PD&E Study.....	D-7
Table D-3: Future Daily Truck Traffic at Port Manatee, 2035.....	D-11

List of Figures

Figure C-1: Hillsborough County Polygrid.....	C-1
Figure C-2: Freight Activity and Livability Emphasis Overlay Matrix.....	C-10
Figure C-3: Hillsborough County Livability and Freight Activity Areas Overlay - Analysis Results.....	C-10
Figure C-4: Hillsborough County Livability and Freight Activity Areas Overlay - Revised Results Based on Field Review.....	C-11

List of Maps

Map A-1: Regional Corridor Based Project Priority Needs.....	Maps follow page A-11
Map A-2: Regional Freight Hot Spot Project Priority Needs	
Map B-1: Regional Freight Travel Markets.....	Map follows page B-3
Map C-1: Freight and Land Use Compatibility Analysis.....	Map follows page C-11
Map D-1: Polk County 2035 Forecasted Truck Volumes.....	Maps follow page D-12
Map D-2: Sarasota/Manatee County 2035 Forecasted Truck Volumes
